& MONEY-BACK GUARANTEE

If you're not yet sure you'll be able to attend this seminar, you can still make a reservation to hold your space in class. While payment is due prior to the start of the seminar, you may choose a full refund or credit for cancellations made at least 24 hours in advance. Student substitutions can also be freely made at any time prior to the start of the seminar. Refunds will not be issued for registered attendees who fail to show up and have not given a notice of cancellation. In the rare event that you do not receive the expected value after attending our seminar, simply notify us in writing of your reasons and your money will be promptly refunded.

Hands Down, the best Hands-on Class Anywhere!

YOU WILL DO THE FOLLOWING HANDS-ON EXERCISES

Boiler Trainers

- Troubleshoot over 50 faults!
- Low Water
- Loss of Air Flow
- Hi/Lo Gas Pressure
- Main Flame Failure
- Pilot Flame Failure
- Test UV/IR Scanners
- Proof of Closure
- Limit Circuit Failure
- Test Flame Signal Strength
- Test Fireye and Honeywell Primary Controls
- Interpret Schematic Symbols
- Read Ladder Diagrams
- Modulating Motor Diagnosis

Chiller Trainers

- Hookup Manifold Gage Set
- System Pump Down
- System Dehydration
- Recover Refrigerant
- Recycle Refrigerant
- Charge Refrigerant
- Measure Superheat
- Measure Subcooling
- Check Capacitor
- Check Airflow Problems
- Clogged/Restricted Drier
- Undercharge
- Overcharge
- Electrical Troubleshoot Circuits
- Compressor Winding Tests
- *Plus many more!*

Ask yourself these questions when considering training.

- *Are you tired of attending seminars that just talk, blah blah blah?*
- *Are you tired of seminars advertised as "hands-on" training that don't live up to the hype?*
- *Are you tired of paying for seminars that are not giving you the "bang for the buck"?*

Then you need us DNA engineering services, "hands-down the best hands-on training seminars anywhere".....we guarantee it!

- You will be active not passive in the classroom doing hands-on labs and performing over 50 troubleshooting points on our.
- This course will pay for itself when you get back on the job and start applying the knowledge your learned in this course to solve your own problems and reduce the need for costly service calls.
